No child will be allowed to participate in camp if he or she does not have a registration form on file regardless if they've been in our program previously.
- **Check In:** When you arrive for your first day of camp, please sign your child in at the appropriate sign-in location in our lobby. When you sign your child in, the JG Staff will then have you fill out any necessary paper work and take payment for that week. During check-in, please inform Miss. Nicolle of any allergies or disabilities that need to be monitored.
- **Bathroom breaks:** To attend Jacksons, your child must be fully potty trained. Camper(s) between the ages of 3-5 **MUST** pack additional clothing. Accidents do happen and we do not have additional clothing for the camper(s).
- **Absence:** If the camper is out for a day, we do not roll over days to following week(s) as a credit.

\*If your child is going to be carpooling with another family or you have another family member picking up/dropping off, please let us know when you check your child in on the first day. **Only the authorized person(s) on the registration form will be allowed to pick up the child and must have a valid photo ID that matches the name provided.**

- **Allergies:** If your child has any allergies to food or medications please list them on the summer camp registration form and let us know when you check them in the first day. We **do not** encourage sharing food during snack time or lunch and we reserve the right to refuse the sale of a snack to a child if we are unsure if it will conflict with an existing food allergy.
- **Lunches/Snack Tabs:** Campers will have two snack breaks throughout the day and one lunch break. We encourage parents to pack extra snacks and water because the campers are active the majority of the time. We also have a snack bar. You may leave money on an account from which your child can buy snacks. Please let the JG staff know of any snack your child is not permitted to have and we will make a note of it.

## Schedule

A sample schedule is attached for you to see what a week of camp consists of. The campers will not only learn gymnastics skills, but they also play games, do relay races, build strength through fun conditioning, etc. The campers will participate in at least 3 events per day. By the end of the week they will experience all the events within the gym. The campers are divided into groups by age, gender and skill level. The first day is an assessment day to decide which group the campers will be in for the week. If the JG staff notices a child advance quickly, we will move them into a more advanced group.

- I have provided the weekly schedule for each age group below. Please notice the ages per group to find the appropriate group for your camper. Schedule subject to change.
